GENERAL PROXY INFORMATION

Solicitation of Proxies

This Circular is furnished in connection with the solicitation of proxies by or on behalf of management of the Corporation for use at the Meeting to be held at the time and place and for the purposes set forth in the accompanying Notice of Meeting. References in this Circular to the Meeting include any adjournment(s) or adjournment(s) thereof. It is expected that the solicitation will be primarily by mail, however proxies may also be solicited personally by telephone or by facsimile by the directors and/or officers of the Corporation at nominal cost. The cost of solicitation by management will be borne by the Corporation. Pursuant to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*, arrangements have been made with clearing agencies, brokerage houses and other financial intermediaries to forward proxy solicitation material to the beneficial owners of the Common Shares. The cost of any such solicitation will be borne by the Corporation.

Appointment and Revocation of Proxies

Enclosed with this Circular is a form of proxy for registered Shareholders. The persons named in the enclosed form of proxy are directors of the Corporation and will represent management of the Corporation at the Meeting. **A Shareholder desiring to appoint a person or company (other than the persons designated in the accompanying form of proxy), who need not be a Shareholder, to represent such Shareholder at the Meeting, may do so by striking out the names printed on the proxy and inserting the name of such other person in the blank space provided in the enclosed form of proxy and returning the completed proxy to the Transfer Agent, CIBC Mellon Trust Company, by delivering the proxy to Proxy Department, CIBC Mellon Trust Company (i) by mail to P.O. Box 721, Agincourt, Ontario M1S 0A1; or (ii) by facsimile at (416) 368-2502. The form of proxy must be received by the Transfer Agent by 5:00 p.m. (Toronto time) on April 27, 2010 (or at least 48 hours prior to any reconvened meeting in the event of any adjournment(s) or postponement(s) of the Meeting), or by presenting it at the Meeting to the chairperson of the Meeting prior to commencement of the Meeting (or at the reconvened meeting in the event of any adjournment(s) or postponement(s) of the Meeting).** Failure to so deposit a form of proxy will result in its invalidation.

A proxy given pursuant to this solicitation may be revoked by instrument in writing, including another proxy bearing a later date, executed by the registered Shareholder or by his, her or its attorney duly authorized in writing, and deposited either at the registered office of the Corporation or by mail or facsimile to the Transfer Agent (as set out in the paragraph immediately above) by 5:00 p.m. (Toronto time) on April 27, 2009 (or at least 48 hours prior to the commencement of any reconvened meeting in the event of any adjournment(s) or postponement(s) of the Meeting), or with the chairperson of the Meeting prior to the commencement of the Meeting (or at the reconvened meeting in the event of any adjournment(s) or postponement(s) of the Meeting), or in any other manner permitted by law.

Voting of Proxies

A registered Shareholder forwarding the enclosed proxy may indicate the manner in which the appointee is to vote with respect to any specific item by checking the appropriate space. If the registered Shareholder giving the proxy wishes to confer a discretionary authority with respect to any item of business then the space opposite the item is to be left blank. The persons named in the enclosed form of proxy will vote the Common Shares in respect of which they are appointed in accordance with the direction of the Shareholder appointing them. **In the absence of such direction, such Common Shares will be voted in favour of the matters outlined in the Notice of Meeting and this Circular.**

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting or any adjournment(s) or postponement(s) thereof. At the time of printing of this Circular, management and the Directors of the Corporation know of no such amendments, variations or other matters to come before the

Meeting. However, if any other matters which are not now known to management should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxies.

Advice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to all Shareholders, as all Common Shares are registered in the name of CDS & Co. (“CDS”) (the registration name of CDS Clearing and Depository Services Inc., which acts as depository for many Canadian brokerage firms) and Shareholders hold their Common Shares through their brokers, intermediaries, trustees or other persons. Common Shares registered in the name of CDS can only be voted (for or against resolutions) upon the instructions of the Shareholders, as the beneficial holders of the Common Shares. Without specific instructions, a broker and its agents and nominees are prohibited from voting Common Shares for the broker’s clients. Therefore, Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate party.

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Shareholders in advance of security holders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often, the form of proxy supplied to a Shareholder by his or her broker (or the agent of the broker) is identical to the form of proxy provided to registered Shareholders. However, its purpose is limited to instructing the registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communication Solutions (“**Broadridge**”). Broadridge normally prepares a “Voting Instruction Form” (the “**VIF**”) based upon the Corporation’s form of proxy, which it then distributes to Shareholders. The VIF must then be completed and returned to Broadridge by the Shareholder by mail or facsimile in accordance with the instructions provided therein. Alternatively, the Shareholder can call a toll-free number or access the internet to provide instructions regarding the voting of Common Shares held by the Shareholder. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. A Shareholder receiving a Broadridge VIF cannot use that proxy to vote Common Shares directly at the Meeting. The VIF must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted at the Meeting. Some brokers who do not use Broadridge’s services send out the Corporation’s form of proxy to Shareholders, executed by the broker but otherwise incomplete; the Shareholder must mark the proxy how he or she wishes to vote and return the proxy either directly to the Transfer Agent or to the broker, who will then forward the proxy to the Transfer Agent. **A SHAREHOLDER CANNOT VOTE THEIR COMMON SHARES IN PERSON AT THE MEETING UNLESS THE SHAREHOLDER APPOINTS HIMSELF OR HERSELF AS THEIR OWN PROXY.**

Although a Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of CDS, a Shareholder may attend at the Meeting as proxy holder for the registered Shareholder and vote the Common Shares in that capacity. Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxy holder for the registered Shareholder in this regard should enter their own names in the blank space on the form of proxy or VIF provided to them and return same to their broker or other intermediary (or the broker’s agent or other intermediary) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting. If a Shareholder has voted by mail and would like to change his or her vote, the Shareholder should contact his or her nominee to discuss whether this is possible and what procedures such non-registered holder should follow.

Voting Securities and Principal Holders Thereof

The authorized capital of the Corporation consists of an unlimited number of Common Shares. All Common Shares are of the same class with equal rights and privileges. The Common Shares are not subject to future calls or assessments, and entitle the holder thereof to one vote for each Common Share held at all

meetings of Shareholders. As at the date hereof, there are 16,731,216 Common Shares issued and outstanding.

The record date for the purpose of determining the Shareholders entitled to receive notice of and to vote at the Meeting is March 26, 2010 (the “**Record Date**”). The Corporation will prepare a list of holders of Common Shares at the close of business on the Record Date. Each holder of Common Shares named in the list will be entitled to vote at the Meeting the Common Shares shown opposite his name on the list except to the extent that such holder has transferred any Common Shares after the date on which the list is prepared or after the Record Date and the transferee, upon establishing that such person owns such Common Shares, demands at any time prior to the Meeting that the name of that person be included to vote the transferred Common Shares at the Meeting.

A quorum for the transaction of business at the Meeting will consist of two or more individuals present in person either holding personally or representing as proxies not less in aggregate than 10% of the votes attached to all of the Common Shares then outstanding.

As at the date hereof the following table sets forth the only person who, to the knowledge of the Directors and senior officers of the Corporation, beneficially owns, or controls or directs, directly or indirectly, voting securities of the Corporation carrying 10% or more of the voting rights attached to any class of outstanding voting securities of the Corporation.

Name	Number of Common Shares	Percentage of Class	Percentage of Votes
Affiliates of Brookfield Asset Management Inc. (“ Brookfield ”)	7,513,262	44.9%	44.9%

RECEIPT OF FINANCIAL STATEMENTS

As a result of the completion of the Arrangement and related transactions, the Corporation now owns, directly and indirectly, subsidiaries which own and operate the businesses which were held and operated by the Fund and its subsidiaries prior to the closing of the Arrangement. As such, the Corporation will account for the Arrangement as a continuity of interests of the Fund. Therefore, the audited financial statements of the Fund for the period commencing January 1, 2009 and ended December 31, 2009 and the report of the auditors thereon will be presented at the Meeting.

ELECTION OF DIRECTORS

The articles of the Corporation provide for the board of directors to consist of a minimum of three and maximum of ten Directors. Effective upon the completion of the Arrangement, the trustees of the Fund (the “**Trustees**”) were appointed as the Directors of the Corporation. It is proposed that the Corporation’s existing five Directors be re-elected at the Meeting to hold office until the next annual meeting of Shareholders.

The persons named in the form of proxy accompanying this Circular intend to vote FOR the re-election of the five directors noted below as the Directors of the Corporation, unless the Shareholder who has given such proxy has directed that the Common Shares represented by such proxy be withheld from voting in respect of the election of such nominees as Directors. A majority of the votes cast by the Shareholders is required to elect the Directors of the Corporation.

Management of the Corporation does not contemplate that any of the nominees will be unable to serve as a Director for the ensuing financial year, however, if that should occur for any reason prior to the Meeting or any adjournment(s) or postponement(s) thereof, the persons named in the form of proxy accompanying this Circular have the right to vote for the election of the remaining nominees and may vote for the election of a substitute nominee in their discretion. Each Director elected will hold office until the close of the first annual meeting of the Shareholders following his election unless his office is earlier vacated in accordance with the by-laws of the Corporation or applicable corporate law.

Directors of the Corporation

The following table states the names and municipalities of residence of all the Directors of the Corporation, their respective principal occupations, business or employment within the five preceding years, their beneficial ownership of, or control or direction over, Common Shares (in each instance based upon information furnished by the nominee) and the years in which they became Trustees of the Fund and Directors of the Corporation. STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overall Compensation Goals

The following is a description of the compensation program of the Fund, which the Corporation adopted following completion of the Arrangement. The Corporation intends to maintain the Fund's compensation program, with senior management together with the board of Directors and its compensation, nominating and corporate governance committee (the "**CNCG Committee**") monitoring and evaluating such program, with adjustments if and when necessary. The Corporation's compensation program aims to provide employees with base salaries consistent with regional industry norms while offering additional short-term incentives in relation to the Corporation's financial and safety performance and personal performance against employee-specific metrics. The compensation program is designed to encourage retention while rewarding strong financial, safety and personal performances. Though the employees in respect of the Corporation's business and operations are actually employed by the Operating LP, and its senior executives employed by Brookfield GP and/or Brookfield, the general partner of Brookfield LP, which provides certain management and administrative services to the Corporation and certain of its subsidiaries as discussed above under "Arrangements with Brookfield LP", the Corporation will continue to set the overall compensation program in respect of such individuals.

Compensation Elements and Individual Performance Metrics

The Corporation's compensation program consists of base salary, a short-term incentive program that rewards performance within specific areas, and a long-term incentive program for key members of senior management of the Corporation's business and operations that ties rewards directly to the Corporation's financial performance. Base salary is set through the review of both formal and informal regional benchmarks with all employees subject to annual performance and compensation reviews. The Corporation's short-term incentive program takes into account the Corporation's financial performance (50%) and safety performance (20%), and employee-specific, annually-defined performance targets (30%). Financial and safety performance measures are standardized across all employees, while individual, annually-defined performance objectives are determined by senior management. Awards granted pursuant to the senior management long-term incentive program are based on the Corporation's financial performance, as discussed below.

Option-Based Awards

Other than as described below, the Fund did not have an option-based plan, nor have any of the Corporation, Acadian Timber Limited Partnership (the "**Partnership**"), the Operating LP or KFM LLC adopted an option-based award plan or stock option plan.

However, the Fund's long-term incentive program for senior management utilized a deferred unit plan (the "**DUP**"), established as of January 1, 2007, as amended, that provided for the granting of rights to participants to receive, on a deferred basis, cash payments equal to the fair market value of the units of the Fund on the terms set out in the DUP. Deferred units were offered to select senior management when the Fund generated distributable cash flow at a level greater than \$0.825 per year, subject to the board of Trustees' discretion. The DUP thus directly linked individual long-term bonus compensation with the Fund's financial performance, as reflected by the fair market value of the Fund's units. The DUP also provided that awards would vest in equal one-third portions over the three-year vesting period, thus encouraging senior executive retention. The board of the Trustees was of the view that the DUP was an effective mechanism to align senior management interests with those of the Fund's unitholders while encouraging office retention.

The DUP was administered by the CNCG Committee. Grants under the DUP were generally based on individual performance together with an assessment of whether or not the Corporation achieved certain

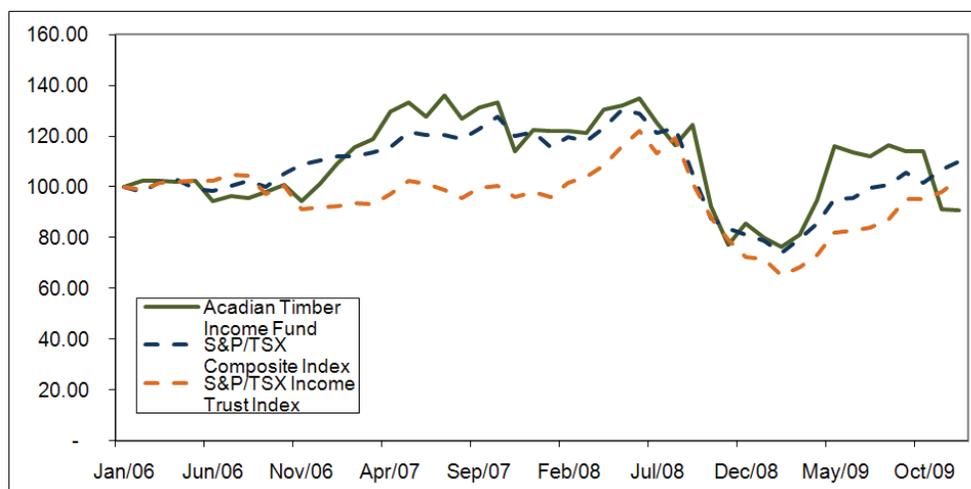

financial thresholds set out in the DUP, though achieving such financial thresholds was not a requirement for grants to be made. Despite the Fund not meeting the financial threshold necessary to trigger awards under the DUP in its 2008 and 2009 fiscal years, the CNCG Committee nonetheless chose to grant modest awards to two senior managers to reflect their exceptional individual performance. Grants under the DUP generally did not take into account grants from previous years, as the CNCG Committee focused on the year in question. However, the CNCG Committee had the discretion to take into account any such prior grants in considering new grants where the circumstances made it appropriate to do so.

Holders of deferred units granted under the DUP were entitled to receive monthly cash payments per deferred unit equal to the distribution per unit of the Fund paid to holders, until vesting of the particular deferred units. The DUP was unfunded and deferred units were non-transferrable. The board of Trustees had the authority to amend or terminate the DUP.

As described in further detail under “Statement of Executive Compensation – Incentive Plan Awards”, the Corporation intends to adopt a deferred share plan substantially similar to the DUP as the board of Directors feels that such a plan effectively aligns the interests of senior management with the interests of the Corporation’s shareholders. In addition, the Corporation intends to incorporate into the new plan a mechanism by which any deferred units issued pursuant to the DUP will continue under the new plan.

Performance Graph

Pursuant to the Arrangement, the units of the Fund were converted, on a one-for-one basis, for Common Shares. The following graph compares the cumulative total return to unitholders of the Fund assuming \$100 invested in units of the Fund (and assuming the reinvestment of distributions) with the total cumulative return of the S&P/TSX Composite Index and the S&P/TSX Income Trust Index for the period from January 31, 2006 (when the Fund became a reporting issuer and its units commenced trading on the TSX) through December 31, 2009:

As described in more detail below, only a portion of the total compensation paid to the Fund’s Named Executive Officers (as defined in Form 51-102F6 – *Statement of Executive Compensation*) during the period in the above graph related to their services to the Fund during such period. While the Fund’s unit prices declined during certain periods in tandem with other income funds included in the S&P/TSX Income Trust Index, compensation of the Fund’s Named Executive Officers was more closely aligned with the Fund’s performance using earnings-based measures, which may differ from the market price of the Fund’s units.

Summary Compensation Table

The following table provides a summary of the compensation for each of the Fund's Named Executive Officers for the financial year ending December 31, 2009:

Notes:

- (1) The Principal Positions listed do not include Mr. Carter and Mr. Cornacchia's current positions as officers of the Corporation, as the Corporation did not exist in the financial years contemplated in the table.
- (2) The Fund did not have a plan pursuant to which option-based awards were granted; rather, the figures reported in the table represent options granted pursuant to Brookfield's 2009 Management Share Option Plan, which options were granted in light of the respective contributions that Mr. Carter and Mr. Cornacchia made to the Fund during each year. Such options reflect the time and effort spent, and the respective achievements, of Mr. Carter and Mr. Cornacchia in providing services to the Fund.
- (3) The figures reported in the table above represent the portion of Mr. Carter's total compensation paid during each year by Brookfield that is attributable to his services to the Fund. This proportionate compensation is reflective of the approximate time and effort Mr. Carter spent providing services to the Fund as a portion of his overall efforts managing Brookfield's entire timberlands portfolio. Mr. Carter's responsibilities in respect of Brookfield's entire timberlands portfolio overlapped with his responsibilities to the Fund and thus, Mr. Carter was able to apply significant knowledge and skill acquired in his capacities as Managing Partner of Brookfield and President of Brookfield GP, the general partner of Brookfield LP, in providing services to the Fund.
- (4) The figures reported in the table above represent the portion of Mr. Cornacchia's total compensation paid during each year by Brookfield that is attributable to his services to the Fund. This proportionate compensation is reflective of the approximate time and effort Mr. Cornacchia spent providing services to the Fund as a portion of his overall responsibilities to Brookfield. Mr. Cornacchia's responsibilities in his role as a senior executive of Brookfield overlapped with his responsibilities to the Fund and thus, Mr. Cornacchia was able to apply significant knowledge and skill acquired in his capacity as a senior executive of Brookfield in providing services to the Fund.

Incentive Plan Awards

As described above under "Statement of Executive Compensation – Compensation, Discussion and Analysis – Option-Based Awards", the Fund's DUP provided a mechanism for compensation under the Fund's long-term incentive program. The DUP provided for the granting of rights to participants to receive, on a deferred basis, cash payments equal to the fair market value of the units of the Fund on the terms set out in the DUP. None of the Fund's Named Executive Officers have participated under the DUP.

Pension Plan Benefits

The Fund did not have a pension plan, nor have any of the Corporation, the Partnership, the Operating LP or KFM LLC adopted a pension plan.

Termination and Change of Control Benefits

The Fund did not have agreements in place with its Named Executive Officers in respect of termination and change of control benefits, nor have any of the Corporation, the Partnership, the operating LP or KFM LLC entered into any such agreements. Furthermore, the employment agreements of the Named Executive Officers with Brookfield (or one of its affiliates) do not contemplate termination or change of control benefits in respect of such person's service to and position with the Corporation.

Trustee Compensation

The following table describes trustee compensation for non-management Trustees for the financial year ended December 31, 2009. Trustees who are employees of Brookfield (or any of its affiliates) and who functioned in an executive officer capacity to the Fund were not entitled to any compensation for their services as a trustee.

Name	Fees earned (\$)	Share-based awards (\$)	Option-based awards (\$)	Non-equity incentive plan compensation (\$)	Pension value (\$)	All Other Compensation (\$)	Total Compensation (\$)
J.W. BUD BIRD, O.C.	\$37,000	Nil	Nil	Nil	Nil	Nil	\$37,000
DAVID MANN	\$40,000	Nil	Nil	Nil	Nil	Nil	\$40,000
LOUIS J. MAROUN	\$38,000	Nil	Nil	Nil	Nil	Nil	\$38,000
SAMUEL J.B. POLLOCK ⁽¹⁾	\$0	Nil	Nil	Nil	Nil	Nil	Nil

Note:

- (1) Mr. Pollock, the Chairman of the board of Directors, voluntarily chose not to receive the annual Trustees' compensation as he receives compensation as a senior officer of Brookfield.

The Trustees were paid such reasonable remuneration for their services as the board of Trustees determined from time to time. In 2009, Trustee compensation was equal to \$25,000 per Trustee for the year and \$1,000 per Trustee for each board or committee meeting attended, provided that no such compensation was paid to Trustees who are also officers or employees of Brookfield (or any of its affiliates). The Chairperson of each standing committee of the board received additional compensation of \$3,000 per year. The Trustees were also entitled to reimbursement for reasonable traveling and other expenses properly incurred by them in attending meetings of the board of Trustees, or any committee thereof, or in connection with their services as Trustees. Going forward, the board of Directors shall determine the reasonable remuneration for Director services rendered to the Corporation.

Share-Based Awards, Option-Based Awards and Incentive Plans – Trustees/Directors
