GENERAL PROXY INFORMATION

Solicitation of Proxies

This Circular is furnished in connection with the solicitation of proxies by or on behalf of management of the Corporation for use at the Meeting to be held at the time and place and for the purposes set forth in the accompanying Notice of Meeting. References in this Circular to the Meeting include any adjournment(s) or postponement(s) thereof. It is expected that the solicitation will be primarily by mail, however proxies may also be solicited personally by telephone or by facsimile by the directors and/or officers of the Corporation at nominal cost. The cost of solicitation by management will be borne by the Corporation. Pursuant to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*, arrangements have been made with clearing agencies, brokerage houses and other financial intermediaries to forward proxy solicitation material to the beneficial owners of the Common Shares. The cost of any such solicitation will be borne by the Corporation.

Appointment and Revocation of Proxies

Enclosed with this Circular is a form of proxy for registered Shareholders. The persons named in the enclosed form of proxy are directors of the Corporation (each a “Director” and together, the “Directors”) and will represent management of the Corporation at the Meeting. **A Shareholder has the right to appoint a person or company to represent the Shareholder at the meeting other than the person or company, if any, designated in the form of proxy.** A Shareholder desiring to appoint a person or company other than the persons designated in the accompanying form of proxy, who need not be a Shareholder, to represent such Shareholder at the Meeting, may do so by striking out the names printed on the proxy and inserting the name of such other person in the blank space provided in the enclosed form of proxy and returning the completed proxy to the Transfer Agent by delivering the proxy to Proxy Department, AST Trust Company: (i) by mail to P.O. Box 721, Agincourt, ON M1S 0A1; or (ii) by facsimile at (416) 368-2502 or (iii) 1 (866) 781-3111 or by email at proxyvote@astfinancial.com. The form of proxy must be received by the Transfer Agent by 2:00 p.m. (Atlantic time) on May 4, 2021 (or at least 48 hours prior to any reconvened meeting in the event of any adjournment(s) or postponement(s) of the Meeting), or by presenting it at the Meeting to the chairperson of the Meeting prior to commencement of the Meeting (or at the reconvened meeting in the event of any adjournment(s) or postponement(s) of the Meeting). Failure to so deposit a form of proxy will result in its invalidation.

A proxy given pursuant to this solicitation may be revoked by instrument in writing, including another proxy bearing a later date, executed by the registered Shareholder or by his, her or its attorney duly authorized in writing, and deposited either at the registered office of the Corporation or by mail or facsimile to the Transfer Agent (as set out in the paragraph immediately above) by 2:00 p.m. (Atlantic time) on May 4, 2021 (or at least 48 hours prior to the commencement of any reconvened meeting in the event of any adjournment(s) or postponement(s) of the Meeting), or with the chairperson of the Meeting prior to the commencement of the Meeting (or at the reconvened meeting in the event of any adjournment(s) or postponement(s) of the Meeting), or in any other manner permitted by law.

Voting of Proxies

A registered Shareholder forwarding the enclosed proxy may indicate the manner in which the appointee is to vote with respect to any specific item by checking the appropriate box. The persons named on the form of proxy must vote for or against or withhold from voting, as applicable, the registered Shareholder’s Common Shares in accordance with the registered Shareholder’s directions and on any ballot that may be called for. If the registered Shareholder giving the proxy wishes to confer a discretionary authority with respect to any item of business, then the space opposite the item is to be left blank. The persons named in the enclosed form of proxy will vote the Common Shares in respect of which they are appointed in accordance with the direction of the Shareholder appointing them. **In the absence of such direction, such Common Shares will be voted in favour of the matters outlined in the Notice of Meeting and this Circular.**

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting or any adjournment(s) or postponement(s) thereof. At the time of printing of this Circular, management and the Directors know of no such amendments, variations or other matters to come before the Meeting. However, if any other matters which are not now known to management should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxies.

Advice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to all Shareholders, as all Common Shares are registered in the name of CDS & Co. ("CDS") (the registration name of CDS Clearing and Depository Services Inc., which acts as depository for many Canadian brokerage firms) and Shareholders hold their Common Shares through their brokers, intermediaries, trustees or other persons. Common Shares registered in the name of CDS can only be voted (for or against resolutions) upon the instructions of the Shareholders, as the beneficial holders of the Common Shares. Without specific instructions, a broker and its agents and nominees are prohibited from voting Common Shares for the broker's clients. Therefore, Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate party.

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Shareholders in advance of security holders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often, the form of proxy supplied to a Shareholder by his or her broker (or the agent of the broker) is identical to the form of proxy provided to registered Shareholders. However, its purpose is limited to instructing the registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communication Solutions ("**Broadridge**"). Broadridge normally prepares a "Voting Instruction Form" (the "**VIF**") based upon the Corporation's form of proxy, which it then distributes to Shareholders. The VIF must then be completed and returned to Broadridge by the Shareholder by mail or facsimile in accordance with the instructions provided therein. Alternatively, the Shareholder can call a toll-free number or access the internet to provide instructions regarding the voting of Common Shares held by the Shareholder. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. A Shareholder receiving a Broadridge VIF cannot use that proxy to vote Common Shares directly at the Meeting. The VIF must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted at the Meeting. Some brokers who do not use Broadridge's services send out the Corporation's form of proxy to Shareholders, executed by the broker but otherwise incomplete. The Shareholder must mark the proxy how he or she wishes to vote and return the proxy either directly to the Transfer Agent or to the broker, who will then forward the proxy to the Transfer Agent. **A SHAREHOLDER CANNOT VOTE THEIR COMMON SHARES IN PERSON AT THE MEETING UNLESS THE SHAREHOLDER APPOINTS HIMSELF OR HERSELF AS THEIR OWN PROXY.**

Although a Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of CDS, a Shareholder may attend at the Meeting as proxy holder for the registered Shareholder and vote the Common Shares in that capacity. Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxy holder for the registered Shareholder in this regard should enter their own names in the blank space on the form of proxy or VIF provided to them and return same to their broker or other intermediary (or the broker's agent or other intermediary) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting. If a Shareholder has voted by mail and would like to change his or her vote, the Shareholder should contact his or her nominee to discuss whether this is possible and what procedures such non-registered holder should follow.

Proxy-related materials will be sent by the Corporation to intermediaries and not directly to Shareholders. The Corporation intends to pay for such intermediaries to deliver proxy-related materials and Form 54-101F7 (the request for voting instructions) to “objecting beneficial owners”, in accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*.

Majority Voting Policy

The Corporation has adopted a majority voting policy stipulating that, if the total number of shares voted in favour of the election of a director nominee represents less than a majority of the total shares voted and withheld for that director, the nominee will tender his or her resignation to the board of directors of the Corporation (the “**Board**”) immediately after the meeting. Within 90 days of the meeting, the Board will determine, with a recommendation from the Compensation, Nominating, and Corporate Governance Committee (the “**CNCG Committee**”), whether or not to accept such director’s resignation and will issue a press release announcing the Board’s decision, a copy of which will be provided to the TSX. Absent exceptional circumstances, the Board will accept the resignation. The resignation will be effective when accepted by the Board. If the Board determines not to accept a resignation, the press release will fully state the reasons for that decision. A director who tenders his or her resignation will not participate in a Board meeting at which the resignation is considered. The majority voting policy does not apply in circumstances involving contested director elections.

Voting Securities and Principal Holders Thereof

The authorized capital of the Corporation consists of an unlimited number of Common Shares. All Common Shares are of the same class with equal rights and privileges. The Common Shares are not subject to future calls or assessments and entitle the holder thereof to one vote for each Common Share held at all meetings of Shareholders. As at the date hereof, there are 16,686,916 Common Shares issued and outstanding.

The record date for the purpose of determining the Shareholders entitled to receive notice of and to vote at the Meeting is March 26, 2021.

A quorum for the transaction of business at the Meeting will consist of two or more individuals present in person either holding personally or representing as proxies not less in aggregate than 10% of the votes attached to all of the Common Shares then outstanding.

As at the date hereof the following table sets forth the only person who, to the knowledge of the Directors and senior officers of the Corporation, based on available public records, beneficially owns, or controls or directs, directly or indirectly, voting securities of the Corporation carrying 10% or more of the voting rights attached to any class of outstanding voting securities of the Corporation.

The following individuals are management’s nominees for appointment as Directors: Malcolm Cockwell, Heather Fitzpatrick, Karen Oldfield, Erika Reilly and Bruce Robertson.

A majority of the votes cast by the Shareholders is required to elect the Directors.

Management of the Corporation does not contemplate that any of the nominees will be unable to serve as a Director for the ensuing financial year, however, if that should occur for any reason prior to the Meeting or any adjournment(s) or postponement(s) thereof, the persons named in the form of proxy accompanying this Circular have the right to vote for the election of the remaining nominees and may vote for the election of a substitute nominee in their discretion. Each Director elected will hold office until the close of the first annual meeting of the Shareholders following his or her election unless his or her office is earlier vacated in accordance with the by-laws of the Corporation or applicable corporate law. The following sets forth the names and municipalities of residence of each of the proposed Directors, their respective principal occupations, business or employment within the five preceding years, their beneficial ownership of, or control or direction over, Common Shares (in each instance based upon information furnished by the nominee) and, if applicable, the year in which they started to serve as a director of the Corporation.

APPOINTMENT OF AUDITORS

Management and the Audit Committee of the Company undertook a review of the Company's audit services and accepted proposals from several qualified audit firms, including the incumbent auditor Ernst & Young LLP, for audit services for the 2021 fiscal year. At the conclusion of this review, upon recommendation from management and the Audit Committee, on February 10, 2021 the Board approved a recommendation to Shareholders that they approve PricewaterhouseCoopers LLP as auditor for the 2021 fiscal year. In reaching this decision to recommend a change in the Company's auditor, management, the Audit Committee and the Board considered which audit firm was best positioned to support the Company's requirements going forward. Ernst & Young LLP subsequently resigned as auditor at the request of the Company, and the Company appointed PricewaterhouseCoopers LLP as auditor of the Company in the interim in order to facilitate quarterly review until the approval of Shareholders.

Each of the Company, Ernst & Young LLP and PricewaterhouseCoopers LLP have confirmed that the auditor's reports on the annual financial statements of the Company for the two most recently completed fiscal years did not contain any modifications as to departures from generally accepted accounting principles or limitations in the scope of the audits, and there are no reportable events as defined in Section 4.11 of National Instrument 51-102 – Continuous Disclosure Obligations. Attached as Schedule "B" to this Circular is the change of auditor reporting package that was filed with applicable securities regulators under that section.

Accordingly, the Board recommends that Shareholders approve the appointment of PricewaterhouseCoopers LLP as the Company's auditor for fiscal 2021 at the Meeting. Further information concerning this recommendation can be found in the Audit Committee report in the section of this Circular entitled "Audit Committee Report".

The persons named in the enclosed form of proxy intend to vote FOR the appointment of PricewaterhouseCoopers LLP, Chartered Professional Accountants, as the auditors of the Corporation to hold office until the next annual meeting of Shareholders, at a remuneration to be fixed by the Directors, unless the Shareholder who has given such proxy has directed that the Common Shares represented by such proxy be withheld from voting. A majority of the votes cast by the Shareholders is required to approve the appointment of the auditors and to authorize the Directors to fix the remuneration of the auditors.

Management of the Corporation is not aware of any other matters that are to be presented at the Meeting other than matters referred to in the Notice of Meeting. If any matters other than those referred to in this Circular should be presented at the Meeting, however, the persons named in the enclosed proxies are authorized to vote the Common Shares represented by the proxies in accordance with their best judgment.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overall Compensation Goals

The following is a description of the compensation program of the Corporation, which is monitored and evaluated by senior management, together with the Board and its CNCG Committee, and adjusted if and when necessary. The Corporation's compensation program aims to provide employees with base salaries consistent with regional industry norms while offering additional short-term incentives in relation to the Corporation's financial and safety performance and personal performance against employee-specific metrics. The compensation program is designed to encourage retention while rewarding strong financial, safety and personal performances.

On September 9, 2019, the Corporation entered into an agreement with Brookfield LP to terminate the Amended and Restated Management Agreement and internalize Acadian's asset management and administrative services functions (the "**Internalization**"). As a result of the Internalization the Board and the CNCG has begun a review of the executive compensation plans which is expected to be completed during the upcoming fiscal year.

Compensation Elements and Individual Performance Metrics

The Corporation's compensation program consists of base salary, a short-term incentive program that rewards performance within specific areas, and a long-term incentive program for key members of senior management of the Corporation's business and operations that ties rewards directly to the Corporation's financial performance. Base salary is set through the review of both formal and informal regional benchmarks with all employees subject to annual performance and compensation reviews. The Corporation's short-term incentive program takes into account the Corporation's financial performance (50%) and safety performance (20%), and employee-specific, annually defined performance targets (30%). Financial and safety performance measures are standardized across all employees, while individual, annually defined performance objectives are determined by senior management. Awards granted pursuant to the senior management long-term incentive program are based on the Corporation's financial performance, as discussed below.

Hedging of Economic Risks for Personal Equity Ownership

All Directors and executives of the Corporation are prohibited from entering into transactions that have the effect of hedging the economic value of any direct or indirect interests by the Director or executive in Common Shares, unless such transactions are executed and disclosed in full compliance with all applicable regulations and have been previously approved by the Chief Financial Officer and Chief Executive Officer of the Corporation and, if appropriate, the CNCG Committee. To date, no Director or executive has hedged the economic value of their direct or indirect interests.

Share-Based and Option-Based Awards

Other than as described below, none of the Corporation, or Acadian Timber Limited Partnership (the “Partnership”), the Operating LP or KFM LLC have adopted share-based or option-based award plans.

However, the Corporation’s long-term incentive program for its senior managers utilizes a deferred share plan (the “DSP”) that provides for the granting of rights to participants to receive, on a deferred basis, cash payments equal to the fair market value of the shares of the Corporation on the terms set out in the DSP.

Deferred shares are offered under the DSP to select senior management in the Board’s discretion, as discussed further below. The Board believes that the DSP provides a link between individual long-term bonus compensation with the Corporation’s financial performance, as reflected by the fair market value of the Common Shares, while allowing for flexibility in recognizing individual achievement. The DSP provides that awards vest in equal one-third portions over a three-year vesting period, thereby also encouraging senior executive retention. The Board is of the view that the DSP is an effective mechanism to align senior management interests with those of the Shareholders while encouraging management retention.

The DSP is administered by the CNCG Committee, which is comprised of independent Directors. Grants under the DSP are based on individual employee performance, together with an assessment of the Corporation’s performance against annual financial targets set by senior management with input from the Board. The Corporation’s achievement of such financial targets is not a strict requirement for grants to be made, but is instead used as a guide to assist the CNCG Committee in exercising its discretion under the DSP. Senior management also provides the CNCG Committee with periodic reports and recommendations, which help identify exceptional performance. Grants under the DSP generally do not take into account grants from previous years, as the CNCG Committee tends to focus on the year in question. However, the CNCG Committee has the discretion to take into account prior grants in considering new grants where the circumstances make it appropriate to do so.

Holders of deferred shares granted under the DSP are entitled to receive additional deferred shares when dividends are paid on the Common Shares calculated by dividing (i) the dividend paid on a Common Share multiplied by the number of deferred shares credited to the DSP participant’s account by (ii) the closing price of the Common Shares on the Toronto Stock Exchange (the “TSX”) as of the dividend payment date. The DSP is unfunded and deferred shares are non-transferrable. The Board has the authority to amend or terminate the DSP.

Performance Graph

The following graph compares the cumulative total shareholder return on \$100 invested in the Corporation with the total cumulative return of the S&P/TSX Composite Index for the period from December 2015 through December 2020.

Named Executive Officer Compensation

Compensation of the Corporation's Named Executive Officers is more closely aligned with the Corporation's performance using earnings-based measures, which has differed at times from the market price of the Corporation's Common Shares, respectively.

Compensation Governance

The Corporation's CNCG Committee currently consists of five Directors, including Reid Carter, Malcolm Cockwell, Heather Fitzpatrick, Karen Oldfield and Bruce Robertson. At all times, the members of the CNCG Committee have been and are independent Directors of the Corporation. The Corporation believes that each of the CNCG Committee members has direct experience relevant to his responsibilities on the committee. Mr. Carter has held multiple senior executive positions including President of Brookfield Timberlands Management LP and has served as the President and Chief Executive Officer of Acadian Timber from 2010 through 2015. Mr. Cockwell has held a number of leadership roles at private land forest management and wood processing operations in several regions, with responsibilities including the retention and development of senior management and the development of broader, long-term, forest-based business strategies. Ms. Heather Fitzpatrick is the President and Chief Executive Officer of Halmont Properties Corporation. Ms. Oldfield was the President and Chief Executive Officer of the Halifax Port Authority. Mr. Robertson has held a number of private sector leadership and management roles, gaining experience and knowledge with internal risk management and reporting, governance, pensions and accounting.

The Board has adopted a written mandate for the CNCG Committee setting out its responsibilities which include, among other things: (i) assessing the effectiveness of the Board, each of its committees and individual Directors; (ii) overseeing the recruitment and selection of candidates as Directors; (iii) organizing an orientation and education program for new Directors; (iv) reviewing and making recommendations to the Board concerning any change in the number of Directors composing the Board; (v) considering questions of senior management succession; (vi) administering and making recommendations regarding the operation of any long-term incentive plan and any other employee incentive plans; and (vii) appointing, administering the performance evaluation and assessing the compensation of senior management, including the Chief Executive Officer and Chief Financial Officer.

No compensation consultant or advisor has been retained to assist the Board or the CNGC Committee in determining compensation for any of the Corporation's Directors or executive officers.

Transitional Services Agreement with Brookfield

As a result of the Internalization, the annual base management fee, the annual performance fee and any other fees payable by Acadian to Brookfield LP were eliminated. In connection with the Internalization, Acadian entered into a transition services agreement with BAM (the “**Transition Services Agreement**”), pursuant to which BAM agreed to provide certain transition services to Acadian (the “**Transition Services**”) for a period of up to 24 months ending on September 9, 2021 (the “**Transition Period**”). The Transition Services will be provided by BAM at no cost to Acadian, other than a certain reimbursement amount to be paid by Acadian to BAM.

Incentive Plan Awards

As described above under “Statement of Executive Compensation – Compensation, Discussion and Analysis – Share-Based and Option-Based Awards”, the Corporation’s DSP provides a mechanism for compensation under the Corporation’s long-term incentive program. The DSP provides for the granting of rights to participants to receive, on a deferred basis, cash payments equal to the fair market value of the shares of the Corporation on the terms set out in the DSP. None of the Corporation’s Named Executive Officers have participated under the Corporation’s DSP.

Pension Plan Benefits

The Corporation does not have a pension plan, nor have any of the Partnership, the Operating LP or KFM LLC adopted a pension plan that provides for payments or benefits to Named Executive Officers or Directors. The Corporation sponsors a group Registered Retirement Savings Plan (“RRSP”). The Corporation contributes a percentage of an employee’s salary to an RRSP and matches employee contributions up to an additional 3.5%. Mr. Shepanski is the only Named Executive Officer eligible of the plan at this time.

Termination and Change of Control Benefits

The Corporation does not have agreements in place with its Named Executive Officers in respect of termination and change of control benefits, nor have any of the Partnership, the Operating LP or KFM LLC entered into any such agreements.

- (4) Mr. Brown was the Chair of the CNGC Committee, he retired effective May 7, 2020.

The Directors were paid such reasonable remuneration for their services as the Board determined from time to time. In 2020, Director compensation was equal to \$50,000 per Director for the year. The Chair of each standing committee of the Board and the lead Director received additional compensation of \$3,000 per year. The Directors were also entitled to reimbursement for reasonable traveling and other expenses properly incurred by them in attending meetings of the Board, or any committee thereof, or in connection with their services as Directors. Going forward, the Board shall determine the reasonable remuneration for Director services rendered to the Corporation.

Directors' Deferred Stock Unit Plan

Effective January 1, 2021 the Company has implemented the Directors' Deferred Stock Unit Plan ("DSUP") for its Directors. Under the DSUP, Directors may elect to receive all or any portion of their fees in Deferred Stock Units ("DSUs") in lieu of cash. A DSU is a bookkeeping entry equivalent in value to a Common Share. The number of DSUs received is determined by the market value of a share on the quarterly Directors' fee payment date. Additional DSUs are received as dividend equivalents. DSUs cannot be redeemed for cash until the holder is no longer a Director of the Company. The redemption value of a DSU equals the market value of a Common Share at the time of redemption, in accordance with the DSUP. On a quarterly basis, the Company values its DSU obligation at the current market value of a share and records any increase in the DSU obligation as an operating expense.

Directors' Share Ownership Requirement

In order to align the interest of Directors with those of the Company's Shareholders, the Board has determined that share ownership (any combination of Common Shares and DSUs) of at least three times their annual retainer is appropriate for the Directors of the Company. The Board does not believe it is necessary to require Directors to purchase shares on the open market. All Directors are expected to achieve their thresholds within five years of the implementation of the program or starting their Board service.

While there is a benefit to adding new perspectives to the Board from time to time, there are also benefits to having continuity and Directors having in depth knowledge of each facet of the Corporation's business, which necessarily takes time to develop.

A majority of the directors should qualify as “independent” as defined in National Instrument 52-110 – *Audit Committees*.¹
- c) **Director education and orientation** – The Corporation’s management team is responsible for providing an orientation program for new directors in respect of the Corporation and the role and responsibilities of directors. - d) **Meetings** – The Board shall hold at least four scheduled meetings each year. Senior management of the Corporation shall be responsible for presenting an agenda to the directors for consideration prior to each Board meeting. Materials for each meeting will be distributed to the directors in advance of the meetings. - f) **Committees** – The Board has established the following standing committees to assist the Board in discharging its responsibilities: an Audit Committee and the CNGC Committee. Special committees may be established from time to time to assist the Board in connection with specific matters. The chair of each committee reports to the Board following meetings of the committee. The mandate of each standing committee will be reviewed annually by the Board (through the CNGC Committee or in any manner that the Board deems appropriate).
- g) **Access to independent advisors** – In discharging its mandate, the Board and any committee may, at any time, retain outside financial, legal or other advisors at the expense of the Corporation.

- i) **Chairperson of the Board** – The Board will elect, by majority vote, a chairperson (the “Chair”) from its membership each year at the first meeting of the Board after a meeting of the shareholders of the Corporation at which the directors are elected, provided that if such election is not made, the director who is then serving as Chair shall continue as Chair until his or her successor is elected. The Chair’s responsibilities have been determined and approved by the Board and have been set out in a written position description. The lead director’s responsibilities have been determined and approved by the Board and have been set out in a written position description, which include monitoring the adequacy of materials provided to the directors, ensuring directors have adequate opportunities to meet without senior management of the Corporation being present and presiding over *in camera* meetings of the independent directors.

4. ANNUAL EVALUATION

At least annually, the Board shall, through the CNGC Committee, or in any manner it determines to be appropriate:

- a) conduct a review and evaluation of the performance of the Board and its members and committees, including compliance by the Board with this Mandate. This evaluation shall focus on the contribution of the Board to the Corporation and its subsidiaries and specifically focus on areas in which the directors and senior management believe that the contribution of the Board could be improved; and
- b) review and assess the adequacy of this Mandate and the position descriptions for the Chair and lead director and make such changes as it considers necessary or appropriate.

5. MEASURES FOR RECEIVING FEEDBACK

Representatives from the Board will be present at all shareholders’ meetings to respond to shareholder questions relating to the Board’s activities, duties and obligations. Specific procedures for permitting shareholder and other stakeholder feedback and communication with the Board will be prescribed by the Corporation’s Corporate Disclosure Policy approved by the Board.

6. INCONSISTENCIES WITH APPLICABLE LAWS

In the event of any conflict or inconsistency between this Mandate and the provisions of the *Canada Business Corporations Act* (the “CBCA”) or other applicable laws, in each case as amended, restated or amended and restated from time to time, the provisions hereof shall be ineffective and shall be superseded by the provisions of the CBCA or such other applicable laws to the extent necessary to resolve such conflict or inconsistency.
